ENTRY INFORMATION

For the 2026 Redcliffe Show, the School Work Schedule will be presented in a different format. This year, the focus will be on School booth displays only, with Lifestyle Technology student entries submitted through relevant open competition schedules, ie Needlework or Art & Craft and Photography.

School Booth displays will be judged in three (3) divisions:

- Open School Booth Display
- Inclusive School Booth Display, and
- Kindergarten/Pre-Prep Booth Display

As per previous years, there is no entry fee for School Booth Displays.

SCHOOL BOOTH DISPLAYS

2026 Theme - School Booth displays are open-themed this year, allowing schools the freedom to choose a theme that best represents their students and community.

There are approximately 14 Booths available, allocated on a first-in basis. All work in the booths must be the original work of students and not used for school advertising. Each booth display wall (total 3) is approximately 2m wide x 2.5m high. Panels are wire framed. Some fabric will be made available to schools if required. Additionally, Schools may elect to cover their panels with hessian or similar material. Student work is to be attached to panels using pegs, pins or similar.

Please note felt panels are not being hired this year.
