JUDGING CRITERIA

The Judges will score each Entry based on a range from Poor to Excellent for each of the four judging elements. The resultant score will be aligned to a numerical range of 0 to 100 for the purpose of determining placegetters.

ORIGINAL DESIGN – Proportion and perspective, line, centre of interest, suitability of purpose, choice of material, aesthetic appeal, artistic appeal and original design concept.

WORKMANSHIP AND TECHNIQUE – Evidence of good tool technique, clean edges and corners, accuracy, thicknesses (consistent where appropriate), matching surfaces, grain alignment, tool marks, pick-outs.

FINISH – Absence of sanding marks, even finish, dust free, good feel and texture, appropriate for the entry.

The Final Entrant Score is the combined total of the four (3) scoring criteria points given by the two (2) Judges, resulting in a possible maximum score of 600 points.
