SAFETY HEADGEAR: As you will no doubt recall, as from 1 January 1991, all Show jumping competitors will be required to wear a Safety Helmet that complies with

Australian Standard 2063.3. This also applies to competitors and others in the 'warm up' area.

The Safety Helmet that complies with AS2063.3 will have a sticker on the external of the hat, and a tab on the inside with the above-mentioned number.

Helmet Tagging was made mandatory for all EA Jumping events from 1 January 2022.

Remember, ensuring that your helmet is compliant and safe is always the responsibility of the athlete and a compliant helmet is mandatory under the EA National Jumping Rules and EA General Regulations.

Helmet tagging only indicates that the helmet complies with current EA standards.

More information on currently approved safety standards for helmets can be found:
www.equestrian.org.au/content/current-approved-safety-standards-helmets.
